

Class Expectations

Five Keys to Success

- 🔑 Take responsibility for your words and actions (Think before you act)
- 🔑 Your future is in your hands, so do your best at all times!
- 🔑 Asking questions can show your effort not your failure
- 🔑 When voicing an opinion understand the opposition's point of view as well
- 🔑 You are smarter than you think so avoid the phrase "I don't know"

Ways of Learning in the Classroom

<u>"Lecture" Style</u> <u>(Whole Class Instruction)</u> Raise your hand No side conversations Participate	<u>Partner Work</u> Use listening skills Respect the partnership Use your resources Keep volume low
<u>Small Group Work</u> Stay on-task (Use your time wisely) Follow lab safety at all times Keep your voices at a low volume	<u>Independent Work Time</u> Focus on task at hand -refrain from talking Ask questions to Ms. Biscardi (no one else)

<u>Using Phones</u> <ol style="list-style-type: none"> Phones will be put into an assigned calculator pocket OR in the bin I provide for them No use or charging of phones in student's possession only in assigned pocket. Procedure must be done BEFORE the bell rings at the beginning of class Students can earn phone usage time as a reward for working efficiently 	<u>Consequences</u> First Time - Name on the Board Second Time - Sent to SMC (Minor Referral and Phone Call home) Third Time -Major Referral (Administration takes over) Any additional time - Referral (no warning)
--	---

<u>Using Technology</u> <ol style="list-style-type: none"> Use only the computer number assigned to you You are responsible for that computer as long as it's in your possession Carry the computer with two hands (not by the screen) Plug in the computer after each use 	<u>Misuse of Technology Consequences</u> First Time - Name on the board Second Time - Major Referral (Call Home) Any additional time - Referral (no warning)
---	--
