Five Keys to Success

- 🔑 Take responsibility for your words and actions (Think before you act)
- 🔑 Your future is in your hands, so do your best at all times!
- 🔑 Asking questions can show your effort not your failure
- 🔑 When voicing an opinion understand the opposition's point of view as well
- 🔑 You are smarter than you think so avoid the phrase "I don't know"

About Ms. Lia Biscardi

Born & Raised: Rochester, NY

College: State University of New York at Fredonia

Degree: Adolescent Education in Biology & Minor in Chemistry

I base my educational practices on my strong connection to my family roots; I have both traditional and innovative views on education where I enjoy incorporating technology and 21st century skills in the classroom.

Fun Facts:

I have a younger brother named Joe, a Chihuahua named Cooper and a puppy niece named Riley.

My favorite food is my mom's lasagna and sweet potatoes (it's a tie!)

I love both college and professional football.
